

STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

✓ **Schools, please note:**

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Notice must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Information Privacy Act*. A template of the School Enrolment Privacy Notice is located at <https://www.eduweb.vic.gov.au/privacy/resources.htm>

Explanations of the Parental Occupation Group codes are included at the end of this document.

KOONDROOK PRIMARY SCHOOL

CONSENT FORM—HEAD LICE INSPECTIONS

Throughout the year, the school will be arranging head lice inspections of students.

The management of head lice infestation works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

Before any inspections are conducted staff will explain to all students what is being done and why, and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The inspection of students will be conducted by trained parent volunteers.

The person conducting the inspections will physically search through each student's hair to see if any lice or eggs are present.

In cases where head lice are found, the person inspecting the student will inform the student's class teacher and the principal. The school will contact the parents by phone or send a written notice home with the child and provide parents with comprehensive advice about the use of safe treatment practices which do not place children's health at risk.

Please note that the law requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced.
