

3/4 HOME LEARNING PROGRAM

Term Two Week Four

Dear Parents and Guardians,

As we enter week 4 of this journey together, I want to congratulate everyone on their efforts to continue learning through this challenging time. Hopefully you are beginning to have a more consistent routine that works with your children and work is continuing to be enjoyable for all.

For the next two weeks we are going to be working on creating books for the book competition. We are hoping to have at least one narrative (story) to enter from each child and potentially another book showcasing another style of writing your child might enjoy. Once these books have been drafted and edited in their books, the students can either upload their story to Showbie or bring in a hard copy at the end of the week for me to be able to type and print to give back for illustrations before they are bound into books. Alternatively, if you have the means, students can type their own story and email me a copy to be able to print once their draft has been corrected and approved. I look forward to seeing some incredible stories! As always, I am contactable through email (mEEK.rebecca.v@edumail.vic.gov.au), dojo or Showbie.

Thanks for all of your hard work,

Mrs. Meek

Session One

	<p>Literacy (45-60 minutes)</p> <p>Spelling (20 minutes) Look at the video uploaded to Showbie to see the introduction to our new spelling words using the SMART Spelling approach. Highlight your 8 chosen words for this week and then write them in the Monday column. Make sure they are spelt correctly!</p> <p>Reading (20 minutes) Read the text in the Monday pocket and answer the questions to complete the picture. If your answer is (a) for the first question, you would colour all of the (a)'s in that colour. A copy of the answer is uploaded to Showbie if you get stuck!</p> <p>Writing (20 minutes) We are focussing on the book competition this week. If you have not yet finished your book from Term 1 please finish these pictures and the front cover this week and return it to school so that I can bind it for you! If you have already finished the book from Term 1 please return it so that we can keep them safe for the book competition and continue on with another story. Make sure it has lots of detail, description and makes the reader want to keep reading. Once you have finished this book upload it to Showbie so I can correct your work and give you permission to publish!</p>	<p>Literacy (45-60 minutes)</p> <p>Spelling (20 minutes) Write your chosen words into the Tuesday column. Make sure all of your words are spelt correctly. Today we are completing the 'technology' task for our spelling words. Use technology to spell all of your words - remember that you can choose to change the font and colour! Optional: If you'd like to print these and paste them into your spelling books then go for it!</p> <p>Reading (20 minutes) Silent reading for 20 minutes, you might like to take note of the description being used in your story and transfer some of these skills to your writing.</p> <p>Writing (20 minutes) We are focussing on the book competition this week.
