

HOME LEARNING PROGRAM

Term Three Week 6 starting 17 August

Hi Everyone,

Welcome to Week 6. This week we are continuing with similar units of work.
Thank you for keeping up with the videos and sending in your work on Class Dojo.

My aim is to create a program that enables each student to complete tasks independently, however, to make it challenging and fun, there are times when your child may need some support.

- Encourage your child to be as independent as possible. Get them to read their daily planner and tick off each completed task.
- At school, they do not have constant support for their learning, so they are used to thinking on their own and working through problems.
- We learn best from our own discoveries and achievements.

The trick with teaching is asking questions, rather than providing an answer.

- After they have finished a task, check-in with them.
- Congratulate them on their effort and independence.
- Discuss one or two aspects of their work and ask them about their thinking. Be encouraging and end with a positive comment.

Literacy: We are continuing to learn about procedure texts in writing and reading. These texts help students to communicate about everyday practices, using direct and specific language.

Mathematics: We will learn about how shapes can be moved, will use specific language to give directions and learn about maps. The topic is Location.

Thanks to the students who have had a go on Mathletics. It's a great program for home learning, as students can progress at their own level and repeat topics to develop their understanding.

Investigations - This week we are focusing on the moon. We will learn about phases of the moon and how the influences life on Earth. We will also compare gravity on the moon to that on Earth. Unfortunately, there is a new moon this Wednesday, so there may not be much to see.

Please do not hesitate to contact me if you have any concerns or questions.

Kate

Monday 17 August

Literacy 45-60 minutes

Watch DoJo Literacy Video

Sheet -What do good readers do?

Reading:

Silent independent reading or read aloud to an adult for 15 minutes.

Reading Sheet: Read Chicken and Vegetable Soup

After you have read it, test your memory!

Write down the ingredients you can remember.

Spelling: Watch DoJo Mini Spelling Lessons

Year 1 -ay

Year 2 - e

Select 8 words you would like to learn, from your spelling sheet. Do LOOK, SAY, COVER, WRITE, CHECK with each word.

Writing: How to make Toast Sheet - Procedure

1. Cut out each picture and paste then in a column, in the right order in your workbook.
2. Write a sentence or two to explain the steps the kids took to make toast.

Mathematics 30-45 minutes

Watch DoJo Mini Maths Lesson

Flipping, sliding and rotating shapes

Warm up activity:

In your workbook, draw a picture using 4 squares, 6 triangles and 10 circles.

Problem solving question:

1. Trace around your hand on the small square of coloured paper.
2. Cut it out.
3. Flip it, side it and turn it.
4. Close your eyes and get someone to move the cut-out hand. Open your eyes and work out what they did to it.

Task: Complete the worksheet called Flip, Slide and Rotate

**Complete one task in Mathematics.
The lesson only takes about 10 minutes.**

Art Activity:

Check for a worksheet, or DOJO Stories for the art lesson planned by Miss Bentley.

Tuesday 18 August

Literacy 45-60 minutes

Watch DoJo Literacy Video
Grade 2 - Parts of Speech Sheet

Reading:

Silent, independent reading for 10-15 minutes or read aloud to an adult.

Reading: Listen to the story **Stone Soup**
This link is on class dojo
<https://www.youtube.com/watch?v=2X295Nnagvw>

Spelling:

Practise your spelling words.
Do LOOK, SAY, COVER, WRITE, CHECK with each word.
Write 3 of your words in **fancy** writing.

Handwriting: See sheet in folder.

Writing: Watch DoJo Mini Lesson

Write a recipe, for your own Stone Soup.
What would you put into it?

What things do you need?

Or write a recipe for Monster Soup! What would a monster like to eat?

Position, Direction and Simple Maps

Warm Up Activity:

Follow these instructions to draw a picture in your maths book.

1. Draw a circle in the top right-hand corner.
2. Draw a triangle in the middle of the page.
3. Draw a tree under the triangle.
4. Draw a sun above the triangle.
5. Write your name in the bottom left-hand corner.
6. Add extra details.

Problem Solving Question:

Use match sticks to make 6 squares.

How many sides are there?

How many corners do they have?

Write a times or addition equation about the number of sticks you used?

Can you make 6 squares with less sticks?

Task: Complete the sheet in your folder.

Directions

Complete one task in Mathletics. The lesson only takes about 10 minutes.

Library Activity:

Look for an activity sheet, or check DOJO Stories for the Library lesson planned by Mrs McLaren.

Wednesday 19 August

Literacy 45-60 minutes

Watch DoJo Literacy Video

Reading:

Silent, independent reading for 10-15 minutes or read aloud to an adult.

Reading Comprehension Sheet: Read carefully and answer the questions.
Year 2 - How to Cook Cheese Toast

Spelling:

Practise your 8 words.

Do LOOK, SAY, COVER, WRITE, CHECK with each word.

Complete the **WORD FIND** sheet.

Grammar: Just for Year 2 - Conjunctions
See sheet in plastic pocket.

Writing: Watch DoJo Mini Lesson

Continue your recipe for soup.

Start writing the STEPS to tell how to make the soup.

Then write the conclusion.

Something Extra

password - evz8981

Mathematics 30-45 minutes

Watch DoJo Mini Maths Lesson

Warm Up Activity:

Write a sentence to describe the position of an object in your house or at school.

eg The lamp is on the table, next to the bed.

Problem Solving Question:

If I had 15 pairs of lace-up shoes.

How many laces would that be?

Write the equation to match the story.

Task: Complete the work sheets in your folder. Counting Patterns

Complete one task in Mathletics. The lesson only takes about 10 minutes.

Movement Activity

Do an activity based on jumping. This could include jumping on trampoline, star jumps, long jump, triple jump, skipping or all of the above.

Investigations - Earth and Space Science.

Watch DoJo Mini Lesson

Plan your own project about the moon. You could make a mini information poster. Look on Epic for some great space books to find some facts.

There is a piece of A3 paper in your folder for your poster. Maybe you could cut the paper into a circle - like the moon!

Thursday 20 August

Literacy 45-60 minutes

Watch DoJo Literacy Video

Reading:

Silent, independent reading for 10-15 minutes or read aloud to an adult.

Reading Comprehension Sheet: Read carefully and answer the questions.

Year 1 - How Do Changes in the Sky...

Year 2- What is light and where...

Spelling:

Practise your 8 words.

Do LOOK, SAY, COVER, WRITE, CHECK with each word.

Punctuation:

Grade 2 Sheet - Punctuation is Fun

Grade 1 Sheet - Find the missing FULL STOPS and CAPITAL letters

Writing: Watch DoJo Mini Lesson

Continue your recipe for soup.

Now you can write the conclusion.

You could do a good copy and add pictures.

Something Extra

Mathematics 30-45 minutes

Watch DoJo Mini Maths Lesson

Reading and Using Coordinates

Warm Up Activity:

Coordinates - Naughts and Crosses - try the game that I showed you on the video.

Task: Complete the work sheets in your folder.

Year 1 - Seal Island

Year 2 - Map Coordinates

Complete one task in Mathematics. The lesson only takes about 10 minutes.

Movement Activity

Skipping

Practise your skipping. If you don't have a skipping rope focus on your jumping skills from

Investigations - Earth and Space Science.

There's a new moon tonight - check it out!

Continue your research project about the Moon and make a mini poster about it.

Friday 21 August

Literacy 45-60 minutes

Watch DoJo Literacy Video

Reading:

Silent, independent reading for 10-15 minutes or read aloud to an adult.

Reading Comprehension Sheet: Read carefully and answer the questions.

Year 1 - Detective Joe

Year2 - What is the Sky?

Spelling Test:

Ask an adult to read the words and you write them down.

Correct your words carefully and rewrite any words incorrect words.

Please send me a picture on class dojo student portfolio.

Writing:

My Place in Space - Fill out your address. Use books, google maps or a globe to teach yourself to spell words correctly.

Something Extra

Log onto Reading Eggs complete set task or select next lesson.

Or look for books on EPIC
password - evz8981

Mathematics 30-45 minutes

Watch DoJo Mini Maths Lesson

Warm Up Activity:

Draw and label all the regular 2D shapes you know.

Task: Complete the work sheets in your folder.

Year 1 – Following Instructions

Year2 – Compass Directions

Complete one task in Mathletics. The lesson only takes about 10 minutes.

Movement Activity

Dance Party Day - send in a video of your best moves!

Investigations - Earth and Space Science. Watch DoJo Mini Maths Lesson

Gravity on the moon is 6 times less than on Earth.

So that means you can jump and throw much further.

Go outside and throw a ball. Step out how far you threw it.

How many steps would it go if you were on the moon?

How far would you be able to jump on the moon? You might need to borrow a tape measure. Good luck!

Have you finished your poster about the moon?
