

3/4 HOME LEARNING PROGRAM

Term Three Week Six

KOONDROOK

PRIMARY SCHOOL

Dear Parents, Guardians and students,

This week we are practicing our fluency when we read, learners need to choose a book that they are able to read - this might be a novel! We are also starting multiplication for maths, learning our times tables is a big factor when learning multiplication problems, your child should be practicing their times tables every day. Showbie will be where you go to see all of the learning videos and a great place to ask for help! Remember to upload your work to Showbie every day.

I am contactable through email (rebecca.meek@education.vic.gov.au), dojo or Showbie.

Thanks for all of your hard work,

Mrs. Meek
