

# HOME LEARNING PROGRAM

## Term Three Week 5

Dear Parents, Guardians and Students,

For Remote Learning 2.0, I have placed worksheets in plastic folders. This might be a harder to use, but it allows me to give children more individualised work. The green folder, worksheets and work books need to be returned to the lockers under the BV at the end of each week - just like last time.

Please make sure your child watches the DOJO video lessons each day. Get them to watch the Literacy videos before reading/writing/spelling activities and the Maths video before they complete their maths work. I am hoping that this support will enable them to be more independent. I will put the videos up before 9am.

**Literacy:** This week we are starting to learn about procedure texts. These are texts that give instructions about how to do something. Some of the reading topics are examples of procedure texts. Other examples of procedure texts will be set on Reading Eggs.

In writing time on Monday, the students will copy a procedure text about making a sandwich and on Tuesday they will plan a procedure about 'How to plant a bean seed' or a topic of their own choice. They will work towards presenting a finished piece of writing by the end of the week. Daily Dojo videos will support the steps in the writing process.

**Mathematics:** We are revisiting the topic SHAPE. We are learning more about the features of both 2D and 3D shapes. More activities on SHAPE are available on Mathletics.

**Investigations** - Follow the instructions (procedure) to make a diorama about a habitat on Earth. You will need a small box, glue, paper and pencils.

Students will be asked to submit samples of their work each day, in their portfolio on ClassDojo  
Art and Library activities will be posted on DoJo by Miss Bentley and Mrs McLaren.

Please do not hesitate to contact me if you have any concerns or questions.

Session One

Watch DoJo Literacy Video

Literacy 45-60 minutes

Reading:

Silent independent reading or read aloud to an adult for 15 minutes.

Read - Reading sheet and questions about plants.

Handwriting - Complete the sheet. Write slowly, think about what you have learned, make sure you start each letter in the correct place and go in the right direction.

Spelling: Do LOOK, SAY, COVER, WRITE, CHECK with each word.

Writing: Watch DoJo Mini Lesson

Begin to plan your own procedure. It can be about planting our bean seeds, or you may choose your own topic.

First, think about the things you NEED to complete the task you have chosen.

Optional - Log onto Reading Eggs complete set task or select next lesson.

Session Two

Mathematics 30-45 minutes

Watch DoJo Mini Lesson

Warm up activity:

3D shape hunt - In your Maths book - draw and label things that are a cylinder.

Problem solving question:

What 2D shape makes a cylinder?

Task: Make a structure from newspaper that will hold a book off the floor. (clue - cylinders are a strong 3D shape.)

You will need:

Newspaper or scrap paper

Sticky tape

Steps

1. Some newspaper or scrap paper.
2. Roll the paper to make some cylinders.
3. Use cylinders to design something to hold a book!  
Good luck!

Check out Mathletics.

Session Three

Library Activity:

Complete lesson planned by Mrs McLaren.

This lesson will be available in class dojo stories as it has links attached.

# W E D N E S D A Y

Watch DoJo Literacy Video

Literacy 45-60 minutes

Reading:

Silent independent reading or read aloud to an adult for 15 minutes.

Read the procedure sheet about the sun and try the fruit experiment. If you have some different types of food in the house - try those instead!

Grammar - VERBS

See sheet plastic pocket.

Spelling: Do LOOK, SAY, COVER, WRITE, CHECK with each word.

Writing: Watch DoJo Mini Lesson

Continue procedure text.

What steps are needed to complete your task? Think about the order of the steps.

Optional - Log onto Reading Eggs complete set task or select next lesson.

Mathematics 30-45 minutes

Watch DoJo Mini Maths Lesson

Warm up activity:

3D shape hunt - In your Maths book - draw things that are a sphere.

Problem solving question:

I wonder why are planets are sphere shaped? Have you got any ideas?

Task:

1. Cut out at least 6 3D shapes from the sheet.
2. Paste them onto the yellow sheet.
3. Draw to make each shape into a character.
4. Give each shape a name.

Eg. Cindy Cylinder

Peter Pyramid

Movement break:

Focus:

With a tennis ball or small ball, throw the ball in the air and see how many claps you can do before catching it again. If you have a sibling or parent to partner with practice catching and throwing to each other.

Watch DoJo Mini Lesson  
Investigations - Earth  
and Space Science.

Follow the instructions on the sheet to make the diorama.

# T H U R S D A Y

Watch DoJo Literacy Video

Literacy 45-60 minutes

**Reading:**

Silent independent reading or read aloud to an adult for 15 minutes.

Read the information text and complete the questions. Think about the main idea of the text as you read.

**Spelling:**

Do LOOK,SAY,COVER,WRITE,CHECK with each word.

Write 3 of your words in 3 interesting sentences.

**Writing:** Watch DoJo Mini Lesson

Continue procedure text. The last step includes a conclusion and a diagram or picture.

When you have finished you can do a final draft. You may like to type it on you ipad

Mathematics 30-45 minutes

Watch DoJo Maths Video

**Warm up activity:**

3D shape hunt - In your Maths book - draw things that are a rectangular prism.

**Problem solving question:**

**Task:**

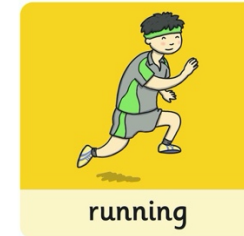

Use the stickers to label faces on a tissue box.

**Steps**

1. Find a tissue box or other rectangular box.
2. Use stickers to label face, edge and points/corners

**Movement Activity:**

Focus:

Either go for a distance run or practice sprinting in your backyard.

**Investigations - Earth and Space Science.**

Follow the instructions on the sheet to make the diorama.

D  
A  
Y**

Watch DoJo Literacy Video

Literacy 45-60 minutes

**Reading:**

Silent independent reading or read aloud to an adult for 15 minutes.

Reading task in folder.

**Spelling:**

*Spelling test* with an adult at home. Ask an adult to read the words and you write it down.

Correct your words carefully and rewrite any words you got wrong.

Please send me a picture on class dojo student portfolio.

**Writing:**

Finish off your procedure text. If this is done you can write about anything you like.

**Mathematics 30-45 minutes**

Watch DoJo Maths Video

**Task**

Make a triangular prism!

**Need**

A bed sheet

2 metre length of string

2 chairs

**Steps**

1. Ask an adult for some help.

2. Place 2 chair 150 centimetres apart.

3. Tie the string from one chair to the other. Make the wool as high off the ground as possible.

4. Place the sheet over the top to make a tent.

Ta-Da! A triangular prism.

**Problem solving question:**

How many kids fit in your triangular prism?

**Complete the other tasks in your folder**

**Investigations - Earth and Space Science.**

Continue to follow the instructions on the sheet to make the diorama. Please send me a photo on your portfolio of your completed diorama.
