

PREP REMOTE LEARNING PROGRAM

Term Three Week Six

Dear Parents and Guardians,

Please find the learning activities for Term 3 Week 6 below. Some of the activities will require your child to be able access the internet to watch a video clip, story or other materials. You can click on the link when required. If you have any trouble viewing videos or clicking on links please let me know and I will try and fix it for you.

Students activities are to be completed and glued into their 'Remote Learning Book' when indicated. Please write the date in the top corner for every activity completed. Also, during the writing component, please encourage your child to have a go at writing and sounding out their sentence. However, if they are having difficulties, you can write their sentence on a separate piece of paper for them to copy.

If you would like to change the order which you complete the sessions in each day that is fine as well.

If you have any questions or need assistance at all please don't hesitate to message me on Class Dojo or email me at Cassie.Altimari@education.vic.gov.au
