Term Three Week 10

Grade 1/2 R

Dear Parents, Guardians and Students,

Yay last week of the term!! Well done on all the hard work students and parents have put in this term. You all deserve a much-deserved break once the holidays get here.

This week we are still focusing on poetry. We will work on the same poem from last week. I will do a quick run-down of those on in the morning welcome video and post a photo example of them each day. If you need further assistance with these then go back and watch the lessons from last week.

Maths this week is a revision week, activities in work pack will focus on different maths areas. Make sure you explore Mathletics and study ladder to further challenge yourself.

Earth and Space Science, we are continuing to look at saving the planet/ sustainability. Complete the activities on Wednesday and Thursday, alternatively if students have a different idea for an activity on this topic they can do an activity of choice. There is no activity set on Friday afternoon as it is an early finish this day.

Hope you have a great week.

Chloe Reither.
