## Principal's Report

We acknowledge the anxiety around the community with the uncertainty regarding the flooding situation of the Murray River in our area. We are trying to make sure things are calm and normal for the children here at school and realise that some children are anxious.

### School Contact by Text Message

Please remember if I or someone from the school sends out a text message it is **very important** that you respond so we can make sure everyone has received the message.

### 3/4 Cluster Camp

It is disappointing that we have had to postpone the Year 3/4 Murray Plains Cluster camp to Billabong Ranch in Echuca. There may be a possibility we are able to reschedule later in the Term if we can work it out between the 4 schools. We will see how we go.

### Stay and Play

We were hoping to hold stay and play next week for the P/1/2 class. Due to the flooding in the area and uncertainty of what will happen we will look at finding another date later in the term.

### Golf

The golf competition due to take place on Friday has been cancelled. There may be a chance for students to attend another venue later in the term.

### KTHS Transition

The Year 6 transition day on Thursday 20<sup>th</sup> October has been cancelled.
