The menu will develop over time, and specials will change each Term, so if you have any ideas or feedback, let us know so we can add them in future.

Please note: Wholesalers are still having issues with supplies, in particular potato products. We have added Hash Browns to the menu, however if supplies are not available, we will substitute with Potato Gems. We have added these products rather than hot chips, as they will stay crispy and hot for longer, and do not require deep frying – so slightly healthier, and much more enjoyable for the kids to eat.
